

SPA Rituals

Elier - *Amber SPA & SPE**

(90 min)

50 Ls

A revitalizing ritual that nourishes your body, mind and soul. The union of two elements water and earth, combined in the treatment will balance your whole self.

The combination of water treatments (SPA) and use of enriched natural elier muds (SPE) together with a massage will guarantee a benefit and feeling of satisfaction.

**„Sanus per Aqua” & „Sanus per Elier” - health through water & health through Elier*

Russie Blanche Spirit

(100 min)

60 Ls

A ritual that stimulates weightloss and a glowing face colour.

Tender, like a flower petal, the facial care gives glow and softness, it moisturizes and relieves the skin. A steam cabin followed by body peeling, is an effective way to cleanse the skin and relax the body. Thereafter, a body wrap based on birch extract, siberian ginger root and green tea is applied, that flush out the toxins. Heavenly textures, pleasant aroma, will transform your skin and define your silhouette, leaving you light and beloved.

Amber Glow

(100 min)

65 Ls

Find yourself in a warm atmosphere, feeling incredibly light and soothed.

Amber is a natural talisman, a source of energetic balance, beauty and longevity. This ritual tones your skin, assures elasticity and firmness. It activates regeneration processes, making you feel the benefits of the treatment long after. The journey to glowing skin and defined silhouette includes: hydro massage bath peeling, body wrap treatment using Amber Oriental Body product line. A facial massage using natural amber stone, oozes warmth, releases tension and activates natural metabolism, which organically leaves your skin looking fresh and glowing.

Butterfly touch

(60 min)

60 Ls

A relaxing four hand massage, using aroma essential oils, combining techniques of eastern and thai massage. This massage works to balance your physical and emotional plane. The techniques used will relax your muscles and improve blood circulation. The soothing touch of hands will release tensions and ease emotions.

Oriental Essences Ceremony

(80 min)

45 Ls

This treatment is grounded in ancient eastern traditions of healing. Cleansing is performed with the help of a ginger scrub, followed by a traditional Indian massage with herbal poultices, heated in hot oil of the “Chi” tree, channeling energy rejuvenation. The ritual is best for stress release and relaxation, experience recovery of your total self.
